Keep Chicago Beautiful presented the 2015 Corporate Vision Award to MRC Polymers.

With its Corporate Vision Award, Keep Chicago Beautiful honors innovative environmental leaders that have made extraordinary contributions in supporting the organization's mission of helping the City of Chicago, Cook County and the State of Illinois, and in fact the world, become a better and more beautiful place to live. Previously, Keep Chicago Beautiful has recognized corporations ranging from beloved institutions like the Chicago Cubs, mainstays of Chicago industry including ComEd, and iconic retailers such as Target for being on the vanguard of sustainability. Keep Chicago Beautiful believes environmental stewardship requires a cooperative effort between industries, government, schools and individual citizens. Each group has a key role to play, and nothing can be accomplished without communication and cooperation of them all.
